Revision Courses Key Points: Limited to 4 to 6 children. Every course is fully tailored to the needs of the children on the course (we plan the courses based on conversations with parents). The idea is that you get the benefits of working with peers but also the support and targeted learning that you get with 1:1 lessons.

Cluster Points for Different Courses

First, specific knowledge related to the revision process must be provided.

Second, the review process must be in-house, frequent, and supportive. 6. Better understanding of the curriculum, curricular revision, and curriculum needs are being developed.
