### **Bushcraft: Outdoor Skills and Wilderness Survival ...**

Bushcraft is a term given to skills that allow one to live and thrive in a wilderness setting.. These skills can also help you survive in the harshest environments and allow you to live efficiently off the land using materials found in nature. While Bushcraft does not exactly mean the same as Wilderness survival, these skills will, however, dramatically increase your chances of survival if you find yourself in that situation. Bushcraft and Wilderness survival share 4 key components that are ...
