Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks.

Crick Stone Men An Tol

The Mên-an-Tol (Cornish: Men an Toll) is a small formation of standing stones in Cornwall, UK (grid reference SW426349). It is about three miles northwest of Madron. It is also known locally as the "Crick Stone".

Mên-an-Tol - Wikipedia

Location: Cornwall, Nr Madron. (O/S - SW 4265 3494). Grid Reference: 50 9' 30" N, 5 36' 16" W. Men an Tol:(Stone Circle, Holed Stone). The original design of these megalithic remains have evoked much debate in the past, however, following the recent discovery of several recumbent stones lying beneath the turf, it is now realised that these three granite stones were once part of a stone-circle.

Men-an-Tol, England. - Ancient-Wisdom

Men An Tol means 'stone of the hole' in Cornish - the stone's also been known as 'The Devil's Eye'. Holed stones are often thought to have special powers, especially for healing. If scrofulous children are passed naked through the Men-an-tol three times, and then drawn on the grass three times against the sun, it is felt by the faithful that much has been done towards insuring a speedy cure.

Men-An-Tol Holed Stone - The Modern Antiquarian.com

The Crick-Stone, or Men-an-tol. IN a croft belonging to Lanyon farm, and about half a mile north of the town-place, there is a remarkable group of three stones, the centre one of which is called by antiquaries the Men-an-tol (holed stone), and by country folk the Crick-stone, from an old custom—not yet extinct—of "crameing" (crawling on all fours) nine times through the hole in the centre stone, going against the sun's course, for the cure of lumbago, scatica, and other "cricks" and ...

The Crick-Stone, or Men-an-tol - Internet Sacred Text Archive

My photo above is of the Men-an-Tol stones in Cornwall, sometimes referred to as the Crick Stone or the Devil's Eye. They are claimed to have magical properties. Some say they have a fairy or piskey guardian who can make miraculous cures. In one case a changeling baby was put through the hole in the stone in order for the mother to get her real child returned.

Mike's Cornwall: The Mysterious and Magical Men-an-Tol ...

I'm starting off with Men-an-Tol, which is sometimes referred to as the Crick Stone or the Devil's Eye. Men-an-Tol means, in the Cornish language, 'stone and hole' which very much describes what it is, as can be seen from the photo above.

67 Not Out: The Cornish Mystery Of The Men-an-Tol Stones

The name Men-an-Tol means simply 'holed stone' and despite having been considered a significant and popular monument from a very early date, its true purpose remains a mystery. The monument today consists of four stones; two upright stones with the holed stone between them, and a fallen stone at the foot of the western upright.

Men-an-Tol | Historic Cornwall

The Men-an-Tol lies to the east of the track running north-east from Bosullow, and is also accessible from Boskednan via the Nine Maidens stone circle, or the path which passes Ding Dong Mine. The...

Men-an-Tol - Cornwall Council

Men-An-Tol Holed Stone. Men-an-Tol. An unusual and attractive Cornish site, the Mên-an-Tol is believed to belong to the Bronze Age, thereby making it around 3,500 years old, though little evidence has been found. It consists of four stones, the most memorable being the circular and pierced upright stone. Only one other example of a holed stone exists in the county: the Tolvan Stone near Gweek.

Men-An-Tol | Cornwall Guide

Men-an-Tol is also known as the Crick Stone, and it's said that children who are passed back and forth through the hole will be cured of chronic illnesses. It was especially associated with curing rickets. Women who crawled through the stone under the light of the full moon would become fertile and soon become pregnant.
