So, when a wife constantly second-guesses and tries to change her husband’s decisions, seeking to protect him from himself and attempting to manage his life more “sensibly” than he might choose to do himself, and finally succeeds in getting him to consistently go along with her because the price she’d exact otherwise just isn’t worth it — you might say that wife has successfully “emasculated” her husband.

What are the most common things a woman does to emasculate ...

In fact we were both highly excited by the idea of a wife castrating her husband. I agreed that she could castrate me someday. Later she left the room for a few minutes and returned with a box of stuff she had gathered together. She then told me to get undressed. I asked her what she had planned. She told me she was going to castrate me.
