Book Review: Memory of Water by Emmi Itaranta | The ...

Memory of Water by Emmi Itäranta (HarperVoyager, 2014) Most dystopian or post-apocalyptic novels are very focused on how it happened or on how we are going to change things for the better, and ideally, both. While I can understand why an author would do that - placing protagonists at the centre of the action so...

Lyrical Empowerment: Memory of Water by Emmi Itäranta ...

Wars were fought over energy resources and water, rendering Norway and Sweden uninhabitable. Now the empire of New Qian rules Asia and much of Europe. In the far north of occupied Finland, where even in winter the temperature rarely drops below 50 degrees and water shortages are endemic, 17-year-old Noria Kaitio studies under her father to become a tea master.

MEMORY OF WATER | Kirkus Reviews

"Water is the most versatile of all elements. It isn't afraid to burn in fire or fade into the sky, it doesn't hesitate to shatter against sharp rocks in rainfall or drown into the dark shroud of the earth. It exists beyond all beginnings and ends. On the surface nothing will shift, but deep in ...

Memory of Water: Amazon.co.uk: Itäranta: 9780007529940: Books

A *Memory of Water* is an interesting science fiction short story disguised as a literary novel. In the hands of a standard writer of science fiction, the concept would have played out very satisfactorily in about 40 or 50 pages. However, the author, Emmi Itaranta, is not a standard writer of science fiction.

Memory of Water: Amazon.co.uk: Itaranta, Emmi ...

Emmi: I could definitely see *Memory of Water* as a film. In fact, as a teenager my dream was to be a filmmaker, and I think my interest in cinema has crucially influenced my writing. If I get stuck, I often imagine the scenes as a film I'm watching.

Memory of Water by Emmi Itaranta, 9780062326157, available at Book Depository with free delivery worldwide.

Memory of Water : Emmi Itaranta : 9780062326157

Memory of Water by Emmi Itaranta is a speculative fiction and one of the first I have read. The writing is beautiful and the tradition of the tea master fascinating. Set against the harsh backdrop of a world changed by global warming and ruled by China, Itaranta shares with us the life of seventeen-year-old Noria Kaitio.

Memory of Water: A Novel by Emmi Itaranta

Audiovisual interviews The Finnish version of *The Moonday Letters* has spawned a number of interviews, in which Emmi talks about the creative process of the book, its themes, science fiction and speculative fiction in general, space cats, climate change, and many other fascinating things. These interviews are naturally in Finnish. On Saturday September 12th Anna Tulusto interviewed Emmi for YLE ...
